

End of Summer Kidz Kamp

Temple Adath Shalom is joining with the Art Diner of Randolph to offer a NEW KIDZ KAMP at the end of summer. All children entering kindergarten through fifth grade in the fall are welcome to attend this Kamp at the Temple.

The Kamp will keep your kid's minds active during the last few weeks of summer.

Instead of having your young ones stare at a screen while you shop for school supplies, let them nurture their creative side with crafts and yoga! We will be offering weekly half day and full day sessions. Each day has it's own fun theme but the fun isn't limited to once session. You can sign your kids up for more as many sessions as they can handle!

The best part of our Kamp? A portion of the proceeds will go to benefit the Temple!
